

Delp, Charles

September 16 1901

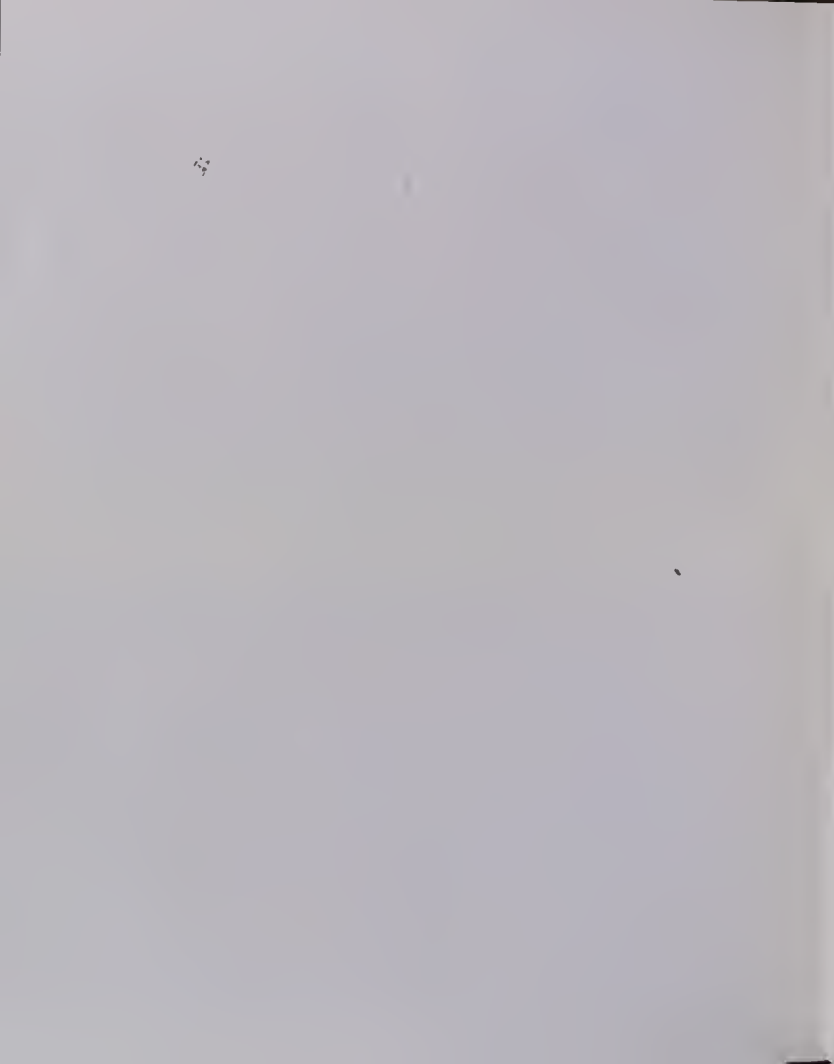

Pittsburg, Sept. 16, 1901.

Mess. Chapman,

Dear Sirs;

Will you please quote me prices on 25 Columbian halves of 1892 issue and 10 Columbian quarters. Please give prices on half cents by the hundred, also. I have a price list of yours on Fractional Currency. Have these prices changed any?

I noticed a display of 92 Col.

halves in Chicago at 55¢ each.  
Can you meet this price?

Have you any of those  
Columbus coins of U. S. of Columbia  
and Salvador? I know you  
did keep them or sold them;  
I should say.

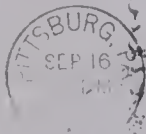

An early reply will  
oblige

Yours truly  
Charles Delfs,

Dear Sirs:-

I have your letter of the 19th and write to say that I would have answered sooner but was away to St. Louis.

I can use some fractional currency at 20¢ but only of the smaller denominations as you have me overstocked on the 25 and 50¢ notes.

I can use about five 3's, 25-5's, 5-15's, and 25-10's. Also 100 half cents in a well mixed lot as to dates (you quoted me \$9. for very good ones), 500 large cents assorted and in good to v. g. condition, at \$2. per hundred as quoted; and I also want two 1795 dollars at \$2.25 each, if you have them in stock now.

Please let me know what the enclosed rubbings of a coin signifies to you. The one side shows the date, 1021, and a man in armor mounted, the other side shows a man in armor seated and a sword in front of him. Is this a coin, a medal or what and of what country? What is the value of it?

Hoping to hear from you soon, I am

Yours truly,

I received the shipment of coppers, etc. and will look the items over very soon, sending check for what I retain of the different lots.

About the white cents, two cent pieces, etc.; I cannot use any of these items at the present time.

In regards to the fifty dollar slugs; will you let me have one of them on condition that, should I ever wish to sell it back to you, I would only have to lose \$5. on it. You can send me the one for \$100. on this condition.

I enclose rubbing of a coin which is genuine and would like to know what you would pay for it.

Dear Sirs:-

I would like for you to send me a large quantity of mixed foreign stuff which you want to dispose of very low. I want these sent on approval as I have to submit them to another party. Send a lot of about 500 at  $1/4\phi$  each, if you have them, and another lot of about 500 at  $1/2\phi$  each. Of course I do not know whether you have any as cheap as this but I supposed you would have them from collections you purchased and sorted out.

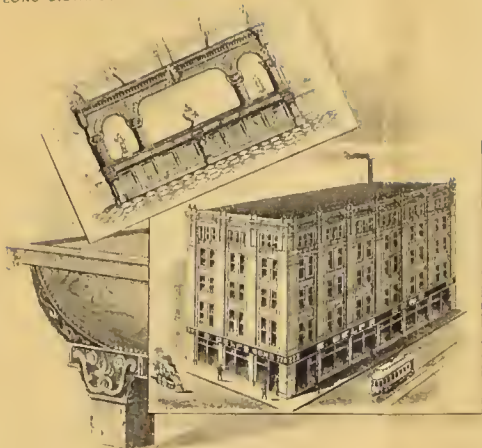

At one of the sales recently I got a very nice lot of 160 pieces in fair to uncirculated condition and they cost me  $1/2\phi$  each.

Of course I will have the expressage both ways if I return them. Thanking you in advance for attending to the above at once, I am

Dear Sirs:-

I found the old dollars waiting for me out home last Monday. It appears that you sent them to my old address on Wylie Ave. and I have not been living there for almost two years. Please change my address on your books to 212 Fourth Street so that I will get anything you send me, without delay.

Please let me know if you cannot make that 1803 dollar \$2.50 and the 1800 dollar \$2.25. If you can, I will keep them all. I do not want you to think I want them for less than they are worth, but I believe these figures are as good, if not better, as what I have been paying you recently and are in line with your prices on the others you sent with this lot.

A party here tells me he bought a slug from you for \$90. Have you a better one that you will send me for \$100. on the same condition as the other?

Please give price on octagonal gold dollar, four dollar gold piece and Columbian quarters and halves.

Dear Sirs:-

I have your letter of the 26th but you failed to put in the price for the octagonal dollar. I suppose it must be \$2. or \$2.25 as I notice in an old catalogue that they are listed the same as the regular U. S. gold dollars.

You can send me the gold dollar at about this price and send me about three \$3. gold pieces at price you last charged me if they are not less, \$3.75 each.

At what price should I get a \$4. gold piece? \$50.? How many of these coins were made?

You sent me a 1795 and a 1798 dollar at \$2. each. I can use five of the 1795 and three of the 1798 or 1799's at these prices so send them as soon as possible. You sent me 20-1/2¢ at 9¢ a few days ago. Send some more as soon as you get them.

Dear Sirs:-

Enclosed please find check for \$5.05 and \$19.75 return making \$24.80 amount of shipment. Sorry to have held this lot so long but hope it has not inconvenienced you any.

Mr. Franklin showed me a letter wherein you stated that you had a lot for me from the sale. At the sale you offered to let me have lot 337 which you purchased. You might send it with the lot you have for me if you wish and also some half cents if you have any more like the last lot you sent me, there were 20 at 9¢, \$1.80.

The party who wanted the oct. dollar says he wants a U. S. one and I was not aware such a coin existed. At what price do you sell \$3. note when you have ther?

Hoping to hear from you soon, I am

Yours truly,

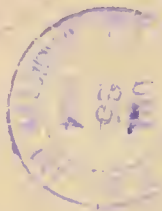

Charles Ielp.

I enclose check for \$1.40 for the two 15¢ notes and the 21 large cents bought by you at sale.

I bought 120 nice half dollars from you a short time ago and you had a finer lot you offered me at 54-1/2¢ each. I want some more of these but wish to select the dates and expect, of course, to pay more for them. Price should average between 55 and 60¢ each. The following is what I want; 1-1899, 2-1897, 1-1896, 2-1895, 1-1892, 1-1890, 1-1890, 1-1898, 2-1897, 1-1896, 2-1895 and 2-1897.

Please send these to me by Wednesday or Thursday. Quote price only on 1894, 1891, 1895, 1895 and 1896 milled edge half dollars.

Dear Sirs:-

When I sent you the telegram, I supposed you would understand to send me a lot of different dates of us eagles and half eagles, ones dating before 1904 and not any rarities, possibly one or two of the scarce coins. I noticed in Low's last sale that 1700 eagle in fine condition brought \$11.50 and I supposed you could send different dates at \$12. or \$12.50 each. I wanted half eagles and eagles in good or fine condition to cost 50¢ to about \$5. premium on each. If you have any of such, you can send me a number or as it might still be time enough for me to sell this customer some of them.

Hoping this is satisfactory, I am

Yours truly,

Charles Lelp.

Dear Sirs:-

I received your letter and shipment of gold. My telegram read U. S. gold before 1905 and telegraph company must have changed it to 1905.

Can you not do better on that 1874 half eagle of the old type? I believe I could dispose of it if you could take the price more reasonable. Let me know the best price on it. Of course I cannot judge correctly what the coin should bring but I thought \$15. would be a good price for it.

Send me in good condition or better 1876 flying eagle dollar, 1799 five stars to right and 1803 small 3 dollars, three in all. Will return same with the gold very shortly. Mail the above coins Tuesday, if possible.

Hoping to hear from you at once, I am

Yours truly,

Charles Delp.
